Target Market

Space-conscious printer users looking for a **compact design**

Anyone who wants **no-compromise print quality** for creative and everyday projects

Computer users who want to be **productive at home**

- Produce results true to your original photo with HP's enhanced Color Layering Technology
- Make more room wherever you print with a convenient fold-up paper tray
- Prints up to 9 pages per minute in black, 7.5 in color
- See unrivaled everyday printing—black text to color graphics
- Link multiple home computers to a single printer using your phone line with an optional HP JetDirect 70X Home Print Server
- Save time and money with a print-cancel button and a low-ink indicator
- 2400 x 1200-dpi mode using photo paper
- Connect the way you want with parallel and USB connectivity
- Supports USB-connect Macintosh printing

Outstanding Photo-Quality Color, Space-Saving Design

Add brilliance to all your great ideas, even in small workspaces, when you print using HP's best photo quality and smart printing features.

Outstanding quality for everything you print. Get results true to your original photo with HP's enhanced Color Layering Technology. You'll also experience great quality for everyday printing—from laser-quality black text to brilliant color graphics. Print with excellent results on all types of media and in all print modes.

Space-saving design and dual connectivity. The HP DeskJet 932C printer is the perfect fit! The fold-up paper tray gives you more room to work wherever you print. Built-in USB and parallel ports enable you to connect to your computer system the way you want.

Reliable performance, smart features. Print at the speed you need without compromising quality—up to 9 pages per minute in black and 7.5 in color. Save time and money with smart printing features like a print-cancel button and a low-ink indicator.

HP DeskJet 932C

- Space-conscious consumers
- Creative individuals
- Desire for quality and flexibility
