HP Photosmart D7360 Printer

- Simple-to-use touch-screen with 3.4” image display—no PC required
- Breakthrough speeds—up to 32 ppm black, up to 31 ppm color
- 6 individual, economical HP Vivera Inks

Innovative touch screen with 3.4-inch display

Innovative touch screen with 3.4-inch display enables easy printing without a PC
- Touch-activated image display with large 3.4-inch screen offers superior viewing and editing.
- Print photos without a PC using image display, memory cards, digital cameras and camera phones.
- Start HP Photosmart Express by touching image display and then simply share, save and print photos.
- Print Wizard offers step-by-step instructions to help new users get familiar with the printing tasks.
- Easy photo printing with HP Auto-sensing—ensures correct paper loading and optimal quality settings.

World's fastest photo speed and 6 individual inks

World’s fastest photo printer with reliable performance and 6 individual inks
- Breakthrough speeds—4 x 6 photos as fast as 12 seconds, documents up to 32 ppm black & 31 ppm color.
- Economical, individual 6 inks—replace only the cartridges that run out of ink.
- Automated 4 x 6 tray for dedicated photo printing, plus optional auto two-sided printing.
- HP inkjet cartridges—designed for efficient ink usage so you can save ink and money.
- HP Page Completion feature ensures you won’t run out of ink midway through a page or photo.

True-to-life, long-lasting photos and documents

Print true-to-life, long-lasting photos and laser-quality text documents
- Print rich and realistic photos with 6-ink color and laser-quality text using HP Vivera Inks.
- Touch the Photo fix button to remove red eye and enhance detail with HP Real Life technologies.
- Photos resist fading for generations and laser-quality documents maintain clarity for decades.
- Create borderless and panorama photos, and your own creative projects using HP Photosmart software.
- Print photos that are water- and smudge-resistant with HP Vivera Inks and HP Advanced Photo Paper

1Speed comparisons in Default and Fastest modes, when printing from a computer, based upon HP internal testing of comparable consumer photo printing products available as of March 2006.
2Memory card slots support Secure Digital/MultiMediaCard, CompactFlash, Memory Stick, Memory Stick Duo, xD-Picture Card.
3When using HP Advanced Photo Paper and HP Premium Photo Paper with HP Auto Sense technology.
4With purchase of HP auto two-sided print accessory. Not included, sold separately.
5Based on Wilhelm-Research.com light-fade testing under glass (as of November 2005) on HP’s premium plus photo papers. For more information on additional permanence testing factors, visit http://www.hp.com/go/premiumplusphoto.
6Using brochure and photo papers for borderless printing.
7Based on paper industry predictions for acid-free papers. Colorant stability data at room temperature based on similar systems tested as per ISO 11798 and ISO 18910.
HP Photosmart D7360 Printer 

Technical specifications

Print Technology
HP Thermal Inkjet

Print Resolution
Black: Up to 1200 x 1200 dpi; Color: Up to 4800 x 1200 optimized dpi using 1200 x 1200 input dpi

Print Speed
Black (draft): Up to 32 ppm; Color (draft): Up to 31 ppm; 4x6 photo (normal): As fast as 21 sec

Printing Capabilities
Direct Printing: Yes (memory cards, PictBridge cameras); Borderless Printing Supported: Yes (up to 8.5 x 24 in); Automatic Paper Sensor Supported: Yes; Camera Phone Supported: Yes
