Combining with special pricing or other promotions

This offer MAY NOT be combined with (or "stacked" with) other promotional offers or trade-in programs, except National HP Instant Rebates as defined below or with channel specific programs that have been approved for combinability by HP but only up to the maximum allowable rebate amount listed on the Eligible Products Chart.

"Instant rebates" are defined as, but not limited to, instant savings, product specific coupons, product specific promotional pricing, and mail-in rebates. When combined with an approved promotional offer, the combination of that savings and the Trade-In and Save offer, the total rebate amount cannot exceed the maximum allowable rebate for that product.

In the case where there is a Big Deal/Contract pricing, customer can take the higher of the two. This will be based off of HP Street Price. (Contact nicole.barrett@hp.com for any exceptions). If the customer does not qualify for any additional rebates, they are still eligible to receive the free shipping and free recycling, based on the fact that a new eligible printer or scanner was purchased. The customer needs to contact nicole.barrett@hp.com to complete a form.

Government or Education involvement:

- Government customers are legally identified Federal, State, or Local government organizations within the US. Cash back checks will be issued in the name of the government organization only, in the event a Government Customer is claiming on their own behalf.
- Education customers are higher education institutions and schools (K-12), both public and private, within the U.S. Cash back checks will be issued in the name of the educational institution only, in the event an Education customer is claiming on their own behalf.

Customers purchasing Direct from HP who cannot receive mail-in rebates:

- Purchasers who buy directly from HP, who are prohibited by law or contract from receiving a mail-in rebate, and are claiming on their own (or their organization's) behalf, need to complete the online claim form at www.hp.com/go/tradeandsave. In addition the purchaser must also contact the trade in program manager, nicole.barrett@hp.com, and inform her that they are an HP Direct customer and provide direct account number and contact information. Once the trade in unit is received and validated by Market Velocity Inc., claims will be processed and the rebate amount will be credited to the customer's purchase order. This process is specific to customers purchasing directly from HP only.

- To ensure you receive the cash back amount above, it is very important to properly package your printer or scanner following these packing instructions:
 1. Package the item(s) in a sturdy cardboard box designed specifically for shipping.
 2. Shipping tape that is 2-3 inches wide should be used. We do not recommend using masking or cellophane tape. Tape all edges on the sides, top and bottom to make sure there are no rough edges that could be snagged by automated mail processing equipment.
 3. Attach the prepaid shipping label to the outside of the package. Use a piece of clear shipping tape over the top of the label. It is important to use our shipping label, as it will be used to expedite tracking, identification and increase the speed of your return.

- Risk of loss for the trade-in products shall remain with the end-user until delivery of the same to HP's designated carrier.
- The delivery of the trade-in products to HP's carrier shall be final and effective to transfer title of such products to MVI free and clear of all liens and other encumbrances. No trade-in products or any part thereof will be returned to the customer.

Reseller involvement

- Resellers may not submit claims on behalf of their end-user customer or themselves.
- HP will not compensate resellers for discounts that exceed the promotion trade-in values.
- Participation in the HP Trade-In and Save promotion indicates that end-user customer agrees that its reseller, and not HP or MVI, is solely responsible for any negotiated sums exceeding HP's authorized trade-in values.

Transmission errors

MVI makes every effort to ensure the accuracy of all information that you receive in relation to your trade-in product. In the event of typographical errors, technical inaccuracies, or product pricing errors or omissions, MVI reserves the right to correct the error within seven (7) calendar days of the trade. If MVI corrects the error, MVI will provide you with the following options: (1) to proceed with the transaction based on the corrected information; or (2) to cancel your transaction, in which case MVI will promptly send the trade-in product back (if possible) or replace it with like product (i.e., similar make, model and condition).

Fraudulent claims

Submitting false claims for program benefits will disqualify end-user's or HP authorized reseller's claim, make end-user or HP authorized reseller ineligible for future participation in HP promotional programs, and may subject end-user or HP authorized reseller to civil liability or criminal prosecution.

Combining with special pricing or other promotions

This will be determined based on the proof of purchase received, the difference between the purchase price and the street price. The net cash back will equal the HP Trade-In and Save Program cash back allowance minus the difference between the proof of purchase price and the MSRP. If the difference is higher than the cash back allowance for the promotion, the user will not be eligible for the cash back allowance, but will be given the option to ship the trade-in printer for recycling.

Reseller Claiming on Behalf of End-user customer

Resellers may submit claims on behalf of their end-user customer who are prohibited by law or contract from receiving a mail-in rebate. If the customer is receiving Big Deal Pricing/Special

Government pricing, the net cash back will equal the Trade-In and Save Program cash back minus the difference between the proof of purchase price and the MSRP. If the difference is higher than the cash back allowance for the promotion, the user will not be eligible for the cash back allowance, but will be given the option of free recycling and shipping for the older units.

- Resellers may not submit claims on behalf of themselves
- The Reseller must pass the full cash back amount to the customer first. This must be clearly indicated on the invoice that the credit has been given up front. MVI and HP will be auditing claims to ensure authenticity.
- HP will not compensate resellers for discounts that exceed the promotion trade-in values, except as otherwise noted in this document.
- Participation in the HP Trade-In and Save promotion indicates that end-user customer agrees that its reseller, and not HP, is solely responsible for any negotiated sums exceeding HP's authorized trade-in values.

- All incomplete claims will be automatically rejected, and must be completed and resubmitted to be processed. A claim is considered incomplete if it matches one or more of the following criteria: missing any information requested on the claim form, missing serial number of new printer(s) or scanners purchased, missing proof of purchase documents, invoice with invalid purchase date, invalid trade-in product(s) and/or traded in product(s) for recycle that are not shipped within the 30 day limit.

Trade-in pickup and delivery

- The trade-in products must be located in the continental U.S. (contiguous 48 states).
- The customer/reseller is responsible for the de-installation of the product and must properly prepare the trade-in for shipment.
- HP will pay for shipping and recycling the eligible trade in for recycle products with the continental U.S. (contiguous 48 states).
 - Only desktop printers and scanners will be accepted for trade-in.
- All ink and toner cartridges must be removed from the printer(s) prior to shipping, and must be packaged separately. They may be included in the same package as the Trade-in Product, but they must be wrapped and bagged separately.
- To ensure you receive the cash back amount above, it is very important to properly package the product following these packing instructions:
 1. Package the item(s) in a sturdy cardboard box designed specifically for shipping.
 2. Shipping tape that is 2-3 inches wide should be used. We do not recommend using masking or cellophane tape. Tape all edges on the sides, top and bottom to make

sure there are no rough edges that could be snagged by automated mail processing equipment.

3. Attach the prepaid shipping label to the outside of the package. Use a piece of clear shipping tape over the top of the label. It is important to use our shipping label, as it will be used to expedite tracking, identification and increase the speed of your return.

For trade-ins larger than 50 units, please contact Nicole Barrett at nicole.barrett@hp.com

Receipt and validation of trade-ins by MVI

- The trade-in model number (i.e. LaserJet 4) must match what was provided to MVI according to the Program instructions. - Trade-in products for recycle do not have to be in working condition.
- All trade-in products for recycle are subject to inspection and acceptance by MVI upon receipt and prior to issuance of any cash back allowance. If the product is returned, the Cash Back Designee will be responsible for any and all associated shipping costs.
- The end-user warrants that the trade-in products are free of any liens or encumbrances, including third-party software which may not be transferred or for which royalties are due. To the maximum extent permitted by law, the end-user shall indemnify MVI from all claims or losses sustained by MVI as a result of any breach of this warranty.
- Risk of loss for the trade-in products shall remain with the end-user/partner until delivery of the same to HP's designated carrier.

Transmission errors

MVI makes every effort to ensure the accuracy of all information that you receive in relation to your trade-in product. In the event of typographical errors, technical inaccuracies, or product pricing errors or omissions, MVI reserves the right to correct the error within seven (7) calendar days of the trade. If MVI corrects the error, MVI will provide you with the following options: (1) to proceed with the transaction based on the corrected information; or (2) to cancel your transaction, in which case MVI will promptly send the trade-in product back (if possible) or replace it with like product (i.e., similar make, model and condition).
